B) People who wants to work abroad are young people, with a high level of education. They want to go in large international cities.

C) When you work abroad, there is a four-stage culture shock : Honeymoon, Frustation, Adjustment and Acceptance.
This shock can be reduced if you understand this new country, if you accept the difference without compare, and stay positive.

Edinburgh Festival Fringe :
The Edinburgh Festival Fringe is the world's largest arts festival.
Anyone way participate, without selection.
It takes place each year in August, since 1947.
I would like to go ans see performances, but I don't won't to work here.
Because, I am not artist.
